Stainless Steel Buttweld Fittings

Suraj limited is committed to continue developing it to be of greater value and relevance for the MAJOR Industries worldwide. Getting here was challenging but for us it is just the beginning of the journey

Suraj manufacture stainless seamless butt weld pipe fittings according to ANSI/ASME. Our stock includes from 1/2 in. to 12 in. and range includes Schedule 5S to Schedule XXS.

We manufacture finest quality of butt weld pipe fittings in diverse shapes like Elbows, Tees, Crosses, Reducers, Stub ends and Caps at affordable market rates.

Our quality system is certified and approved for ISO 9001 : 2008 , AD 2000 – Merkblatt / W0, and PED – 97 / 23/ EC and has been developed and implemented to ensure that all the customer requirements is satisfied.

All Suraj's butt weld fittings are acc. to ASME B16.9, annealed and quenched, bevelled ends acc. to ASME B16.25, hardness acc. to NACE MR0175.

Suraj's ASME butt welding fittings are certified acc. to EN 10204/3.1 and also available with on-site inspection.
